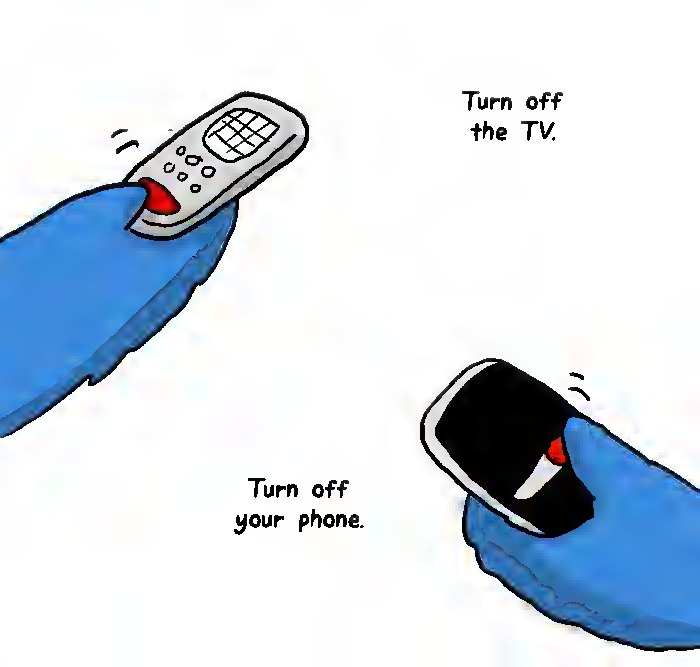
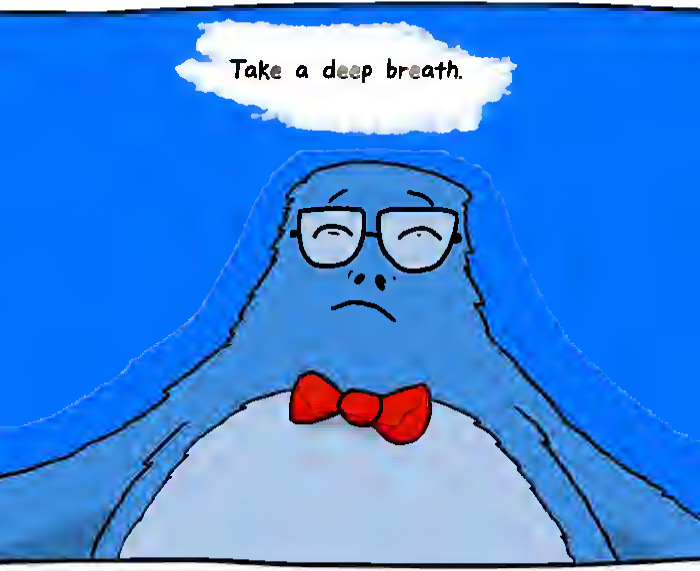
When the stress of the world becomes too much to bear...
TACOS GOOD
TACOS GREAT

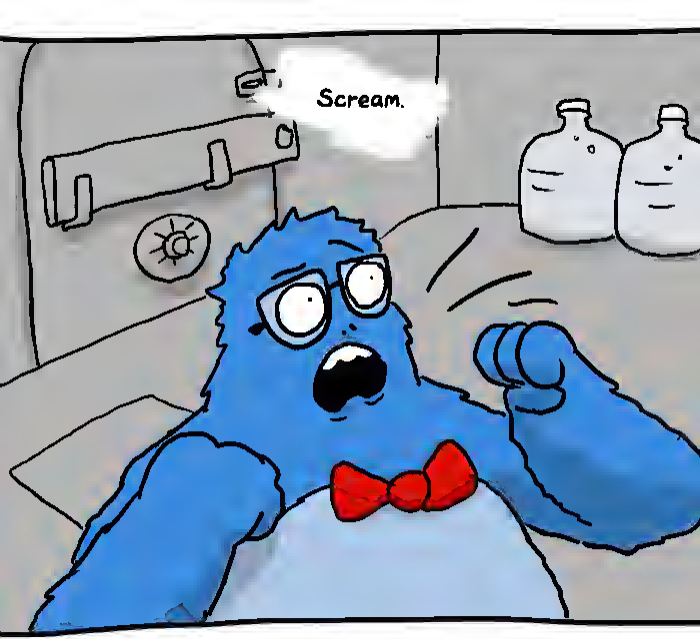


Turn off the TV.
Turn off your phone.

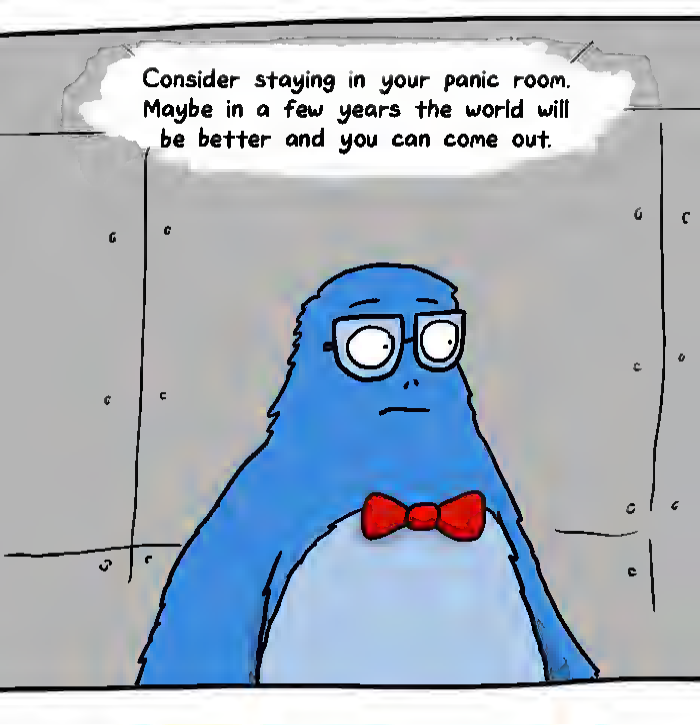


Take a deep breath.

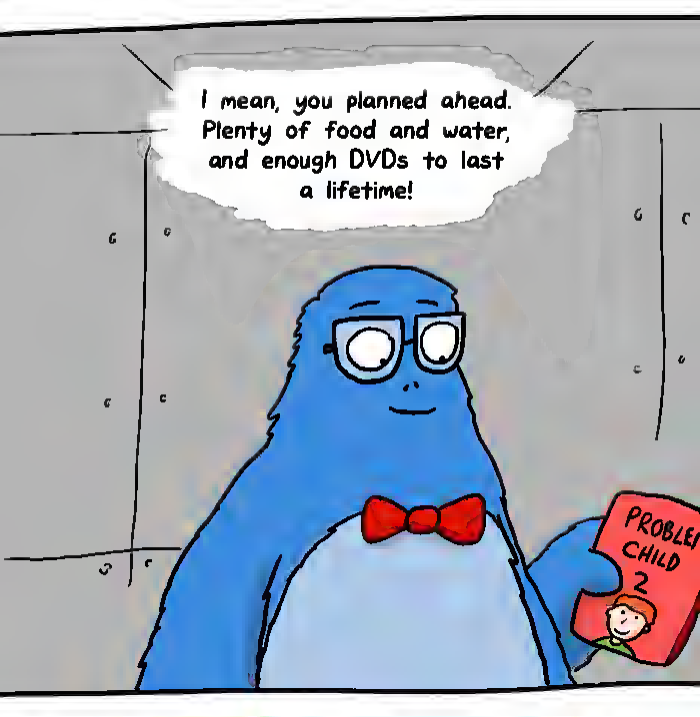
Lock yourself in your panic room.



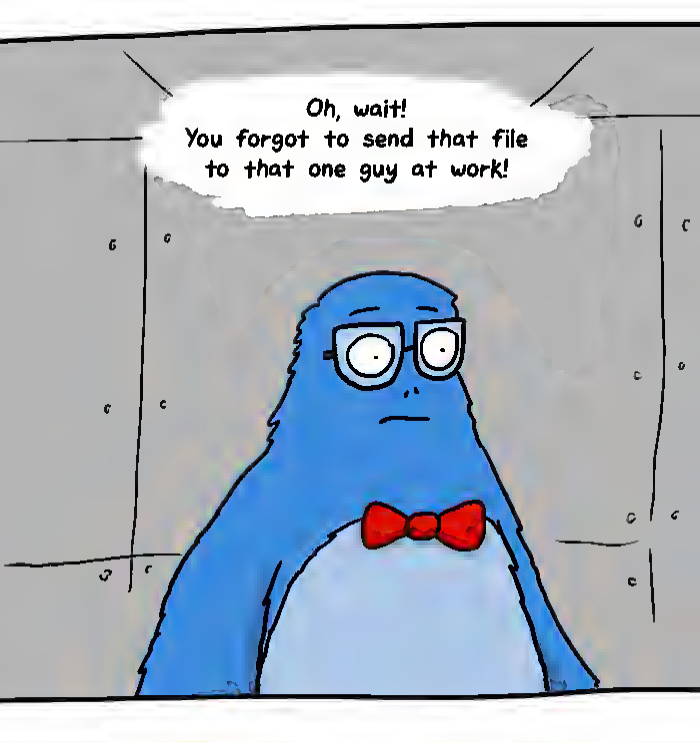
Scream.



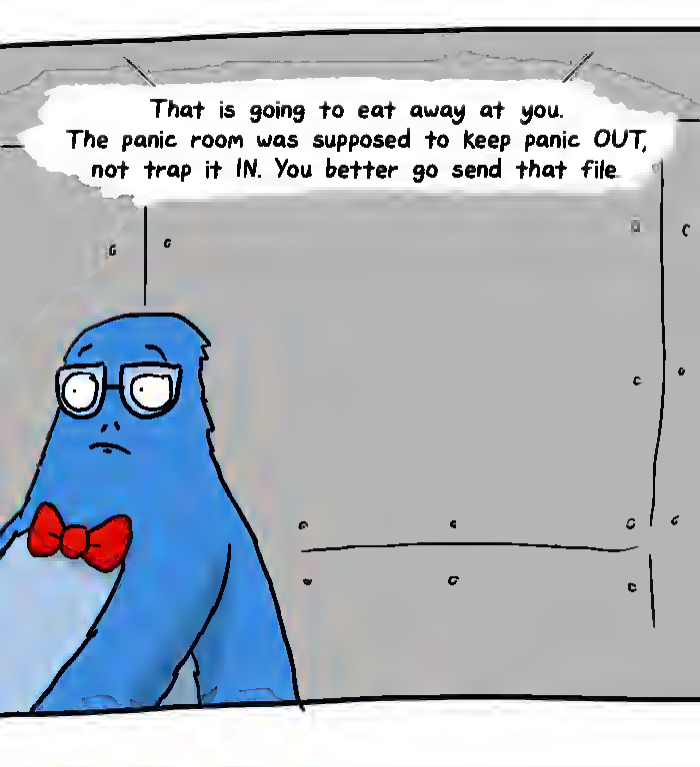
Consider staying in your panic room. Maybe in a few years the world will be better and you can come out.



I mean, you planned ahead. Plenty of food and water, and enough DVDs to last a lifetime!
PROBLEM CHILD 2



Oh, wait!
You forgot to send that file
to that one guy at work!



That is going to eat away at you.
The panic room was supposed to keep panic OUT, not trap it IN. You better go send that file.
